MINISTRY OF LANCE &  
GERRI WELDGEN

## Ministry in Sri Lanka is Going Strong!

Some of our co-ministers in Christ from Jaffna joined me at Andrew Wommack's closed-circuit live telecast to the nation of Sri Lanka on September 10th at a hotel in Colombo. They are all part of the two discipleship groups we started almost four years ago.

I presented Gamini and his wife with a financial gift thanks to your giving to Son Ministries. They are the leaders of Good Samaritan Rehabilitation Center, which we continue to support.

At the end of the meeting at the drug rehab center, a young man came forward and received Jesus as his Lord and Savior! Gerri and I have been ministering there for over 3 years now. Forgiven! Healed! Delivered! Blessed!

Pastor Immanuel and I were surrounded by the love of children who have been meeting weekly for over a year in a woman's house on a tea plantation near Nuwara Eliya. This is a ministry of Smyrna Church with whom we partner.

We brought over 100 of dresses made by Jackie Soltis Hiss of the USA to Sri Lanka, and they were given out in five different places. The Sri Lankan girls were so happy with their new "dresses."

As I walked through a village, one boy was glad to enjoy a chocolate bar and a word of encouragement. We pray that his joy is increased by knowing Jesus someday. Children's ministry takes place just two doors away every day.

Pastor David translated my message for me at Smyrna Church. What a joy it was to be back sharing the Gospel in this church. And to think that back in November, the devil tried to steal the Word from me by trying to take my life. But God healed me, and I just won't quit!

Friends and partners, Gerri and I are so grateful to you all for making it possible for us to minister in the US, India, and Sri Lanka. We are already making plans to start another discipleship group in the north part of Sri Lanka. That would be the third group in the Jaffna area alone!

Join us in praying for Pastor Amos, Pastor Joel and Pastor Soosa, who are teaching and preaching to their church members about God's UNCONDITIONAL love and grace, healing, and the authority of the believer. We continue to supply them with teaching materials for each person taking the course.

Also, please keep Good Samaritan in your prayers as we aim to help them expand so they can accommodate more men who are choosing Jesus as the way to freedom from addictions.

You continue to make great things happen in Sri Lanka!

God bless you with all spiritual blessings,
